

We are currently working on getting the registration site and it will go live this afternoon/evening. The site will be open starting today and will be live most of the rest of the month. However, make sure you get registration into DECA Inc no later than February 15, 2023, for students to be able to participate in ICDC. Below is the general information you will need for registration:

Cost:

Student and Advisor:	\$135 (\$145 if after February 15th)
Chaperone/Judge ATTENDING Conference:	\$110 (\$120 if after February 15th)
Alumni Registration:	\$90 (\$105 if after February 15th)
Judge NOT ATTENDING CONFERENCE:	\$0

Hotel: \$145 (No Changes will be allowed after February 20th; the hotel will still charge us for the full cost of the room.)

I will send out the website and direction out later this evening.

Conference will be at the Marriott Towne Center in Charleston like normal. However, the mall is very limited now and it isn't exactly a place you want to walk or allow your students to walk alone. We are going to need to start looking at dinner options for Sunday evening.

Conference Date: Sunday March 4th - Monday March 5th, you can get the hotel rooms on Saturday evening if you wish for those coming from out of town.

Thanks

Adam
